

EVENT RENTAL

CAROLINE COLLECTIVE is happy and prepared to host your office meet-up, special event, or simple gathering.

What Caroline has to offer:

Roughly 4,000 square feet of secure outdoor space and 3,000 square feet of interior meeting space ideally located in Houston’s Museum district. Caroline is also prepared with sound equipment and a willing and knowledgeable group of able-bodied problem-solvers ready to help you host your event as best as possible.

Availability:

Caroline is Available after business hours (M-F after 6pm) and per-negotiation on the weekends. Events can last no longer than 11pm unless otherwise previously arranged.

Rates:

Event rental starts at \$500.00 for an outdoor event. This covers the use of the rear outdoor space, assistance with set-up, take down and clean-up. We suggest that guests arrange their own catering service through one of our preferred vendors.

Discounted rates apply for businesses and organizations in Co-working or community-focused related fields, including non-for-profit organizations, and arts and music groups.
